	1-5 RATING	ADJECTIVES	COMMENTS
Neighborhood			
1. flavour	5	Cool and comfortable	C/Carme and the surrounding area is full of great little bars and restaurants. Go there tonight! There are least 5 different places without 2 blocks worth going to as regularly as possible. I rank it as one of the best areas for bars and cafes. Maybe I'm missing them, but this area seems more bar and café centered though it isn't far at all from La Rambla and all the discos there. Go down a few streets deeper into the Raval and more discos appear.
2. bars	5	Gifted & Talented	
3. discos	3	not far though

1. type of cuisine	3	Good but not special	Have an interesting menu though the atmosphere is carries the day.

	2. style v substance	4	lots of style	A better bar than restaurant, though still worth trying though the food is a bit expensive. It is dressed with a certain flair.	
	3. desserts	n/a		Missed that, don't know how.	
	4. café	4	normal	Good coffee and good bar.	
Atmosphere	1. clientele	4	Young, interesting	Plenty of tourists and locals alike. Lots of students. A good mix. Two floors. Top is the bar and restaurant with a sitting area at one end. Interesting art on the walls. Cool bathrooms even! Downstairs is a small dance floor that also shows movies some nights. Get a schedule and enjoy! A good spot for all occasions, relaxing in the afternoon, having a meal, meeting at the bar, reading a book, what have you. Opened late as well.
