Restaurant Name		MISTIC		
Address		Riera Sant Miguel 29		
Directions				
		1-5 RATING	ADJECTIVES	COMMENTS
Neighborhood				
	1. flavour	3	upscale	<p>UP a ways into Gracia, streets get bigger and stores get nicer. Gracia has a great many good places to go and MISTIC is located near many of them. Gracia is loaded with little streets with little bars that open up to little squares with more bars. Charming. There are discos in Gracia though I've found they are sometimes difficult to discover unlike other areas where discos welcome at every corner.</p>
	2. bars	3	right and left, up and down	
	3. discos	3	hunt em down	
Quality of Service				
	1. speed	4	anybody home?	<p>Never been there with more than a handful of other people in the room. The service is prompt. Very nice and friendly.</p>
	2. smiles	4	good	
Quality of Food				
	1. type of cuisine	3	good but not special	<p>I've never tried to lunch or dinner menu, sticking mainly to the bakery goods which are normal if not overpriced.</p>

	2. style v substance	3	comfortable	Normal café fare. Tavernlike, lots of wood, nice little tables around the room with a friendly bar. Has a medieval thing going on, nice place to relax.	
	3. desserts	3	normal	Nothing to write home about though decent.	
	4. café	4	Thanks very much	Good selection of teas and the coffee is good.	
Atmosphere					
	1. clientele	4	is there an echo?	Like I said, never seen it so busy, which is something all in itself. A cool empty café? Toma!	
	2. decor	4	smoky comfortable	Not extremely well lit but it does the job. During the day it has a airy open feel, at night more secluded. Little mirrors hang on the wall.	
	3. music	3	normal	The owner has a nice collection of 80's CDs if I remember.	
	4. lighting	4	see décor		
	5. romance factor	4	good spot	Nice place to stop and have a drink and it's opened relatively late and as stated, usually quite empty.	
Price	(2€for a drink, food under 10)
